**ABOUT THE IGNITE SESSIONS**

**Ignite Sessions** are a high energy and innovative way to present content in a quick and concise format. Twenty slides automatically advance at 15-second intervals for a total presentation time of five minutes in length. Since these sessions are quick paced, on the main plenary stage, and need to run smoothly, we have a Presentation Coach available to all Ignite presenters to assist in insuring each session is a success. Shawn Doyle, the Presentation Coach, be on-site to answer any questions you may have and run the production of the Ignite sessions and will lead the onsite rehearsal with you.

- *Please Note: Ignite Sessions should include innovative ideas or approaches in the industry, cutting edge technologies, or best practices in technology-based testing applications. These **presentations should not be** advertisements for products and services or overly promotional in nature. **All ignite session presenters are required to join a conference call prior to the conference to discuss their ignite presentation with conference leadership and attend the onsite rehearsal on Wednesday, 26 September from 17:30 – 18:30 during the Reception with Exhibits.***

**When are the Ignite Sessions?**

The Ignite Sessions are being held from 13:45 – 14:45 on Thursday, 27 September 2018 on the main stage in the general session room.

**When do I set up and rehearse for my presentation?**

Rehearsals will be scheduled for the day prior with our Presentation Coach, Shawn Doyle. An exact time will be worked out with you prior to the conference. We will touch base with you on final time closer to the conference. **We require your PowerPoint presentation by 5 September and will have the presentation pre-loaded and ready to go.** E-ATP prefers that all speakers use the conference PowerPoint template provided via e-mail to ensure consistent and professional presentations throughout the conference. The template will be sent to all speakers via email mid-July.

**What equipment is provided?**

- Screen
- LCD Projector
- Microphone
- Wireless Internet Access
